Declaration of Conformity

Beta LAYOUT GmbH hereby declares the conformity of all its products produced in PCB-POOL® (unassembled PCBs), as well as Frontpanel, Laser Stencil (stainless steel stencil) and 3D-Printing according to following regulations (REACH / ROHS / POP / TSCA / PFAS).

We work closely with our suppliers to ensure that all chemicals we use are registered and comply with international legislation.

For assembled PCBs as well as PCBs produced in PCB-OVERSEAS please refer to page 2 for more info.

Following you will find the legislation as well as further information on those:

Regulation (EG) Nr. 1907/2006 „REACH“:

<https://echa.europa.eu/regulations/reach/understanding-reach>

Updated SVHC list:

<https://echa.europa.eu/candidate-list-table>

As Beta LAYOUT GmbH is a downstream user, it is not subject to the registration requirement.

Directive 2011/65/EU „RoHS 2“ & 2015/863/EU „RoHS 3“ - Restriction of hazardous substances

<https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX:32015L0863>

Regulation (EU) 2019/1021 on Persistent Organic Pollutants (POPs)

<https://echa.europa.eu/list-of-substances-subject-to-pops-regulation>

U.S. Toxic Substances Control Act (TSCA)

<https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/regulation-chemicals-under-section-6a-toxic-substances>

Per- and polyfluorinated alkyl compounds (PFAS)

<https://echa.europa.eu/hot-topics/perfluoroalkyl-chemicals-pfas>

Beta LAYOUT GmbH hereby confirms that all products in

PCB-POOL® unassembled PCBs	Front panel - Aluminium - Acryl - FR-4	Laser Stencil stainless steel stencils	3D-Print Polyamide plastic
--------------------------------------	--	--	--------------------------------------

comply with the regulations and directives (REACH, RoHS, EU-POP) and their specified values. Our products do not contain any chemicals from the TSCA and we do not work with any substances during production which are listed as under the PFAS.

This declaration is based on our current knowledge and supplier documentation. We currently meet all national and international regulations and directives until further notice.

Product range PCB-POOL® - Assembled printed circuit boards

We hereby confirm the conformity of the printed circuit board without components. The components are ordered individually by Beta LAYOUT GmbH for each order in accordance with the client's specifications in terms of quantity, type, and supplier.

The conformity of the components is therefore the responsibility of the client. If necessary, the client must inquire with the supplier about the provision of conformity certificates.

Compliance outside the PCB-POOL® - PCB-OVERSEAS range

For orders outside the PCB-Pool® i.e. PCB-OVERSEAS all conformities must be requested when the order is placed. A declaration of conformity for products produced in the past is only available to a limited extent.

Information on both our production area PCB-POOL® and PCB-OVERSEAS can be found here:

<https://eu.beta-layout.com/pcb/pcb-pool-and-overseas/>

Beta LAYOUT GmbH, as a supplier of the above-mentioned products, is aware of its responsibility to protect the environment and human health. Therefore, we monitor current and future developments in directives and regulations to ensure the conformity of our products.

Further information on our compliance, materials, and certifications can be found on our website:

<https://eu.beta-layout.com/specifications/>

Our team is happy to answer any questions you may have about our compliance of conformity.
